3 o'clock

You have been so supportive this year as a Friend of the Nelson Garden during another difficult year that I would like to invite you on behalf of the committee to a tea party in the Garden.

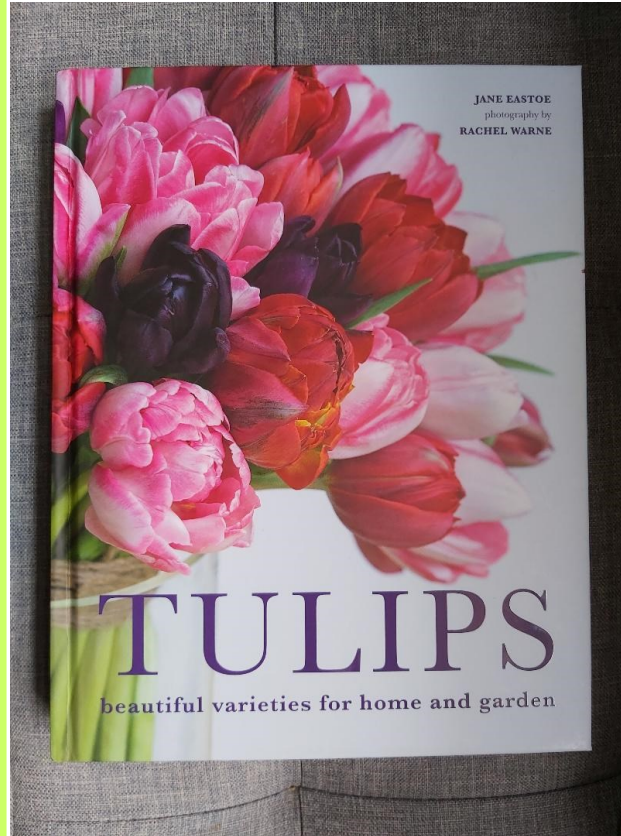

The garden needs to be appreciated and admired – and you may not have had the chance to call in recently to see the results achieved by our garden volunteers' hard work.

Do join us if you can

## FRIENDS' NEWSLETTER NO.26 SUMMER 2021

Dear Friends,

Things have really picked up since the middle of May. There has been a steady number of visitors to the garden on fine weather Sunday afternoons resulting in some useful donations in the collection box.

We have also had increasing interest in bookings for events. We were pleased to have the Hendre and Monmouth WI meeting in the garden on June 9th, although sad that it was their final get together before disbanding.

We have six further bookings which will bring some much needed revenue. Let's hope for good weather for all the events. The garden of course looks fabulous whatever the weather.
